2026

# ABSOLUTELY POSITIVELY LUMINOUS

“STAREAGLE” an efficient solution for all light fixtures under one roof.

STAREAGLE, established in the year of 2012, has been serving successfully for more than two decades in the Lighting industry. Stareagle led lights are a smart innovation and solution in the giant market of led lights. It is one of the few brands that has grown exceptionally in the first three years of its launch pan India.

STAREAGLE products are designed not only for the best market but also are designed to help the countries economy boom with the make in India revolution. They are suitable for all kinds of spaces, may it be residential, commercial or anything else.

Our products have a number of unique USP's.

- Energy Efficient
- Long Lasting
- Durable
- Made of advance and latest technologies
- Made to meet global standards
- Fairly priced
- Our products come with a 2 years warranty period.
- BIS approved

We have been serving in this industry successfully with the help of our very well equipped, qualified and hardworking team, and wish to do the same for a number of coming years.
